

**Jefferson/Marshall Weekly Project Update**  
**7/30/2020**

**Highlights from this past week:**

- Contractor began sewer/water installation on Jefferson Rd.
- New water main was installed across W 4<sup>th</sup> St.

**Upcoming work:**

- The contractor will continue working on sewer/water installation next week, including the installation of temporary water to homes in the project area. The contractor and City staff will be in touch with homeowners to coordinate the installation of temporary service as necessary, and will let residents know in advance of any temporary disruptions in water service. Contractor is working counter-clockwise around the loop starting on Jefferson Rd.
- Primary access to the neighborhood may be changing throughout the week, however, to start the week, primary access is recommended from the south (off of W 8<sup>th</sup> Street and onto E Lincoln Rd).
- Temporary banks of mailboxes will be placed tomorrow for the apartment buildings at 533, 547, and 726 Marshall Rd.

**Reminders:**

- Residents can access driveways each morning and evening. Access to driveways will be intermittent throughout the contractor's workday depending on where the contractor is working. Residents are encouraged to park on E or W Lincoln or along W Fourth Street during the day.
- There should be no on-street parking on Jefferson/Marshall during the workday at this time.
